

Announcement of Mental Health Center No. 3

Subject: Honest Intention in the Administration and Anti-Corruption

The Mental Health Center No. 3 has recognized the problems and impacts of corruption and been determined to develop the organization in order to ensure the transparency, honesty, morality, zero tolerance to corruption and good governance administration. The Department would like to announce its honest intention in the operation and performance as follows:

1. Transparency

Its executives and personals at all levels shall perform their operation transparently and disclose information straightforwardly without any concealment and manipulation of information as well as providing the outsiders and interested persons with opportunity to participate in the operational procedures.

2. Responsibility

Its executives and personals at all levels shall perform their duties enthusiastically and be prepared to provide service unanimously as well as being courageous to take responsibilities for any consequences arising from their performance and administrating the organization honestly.

3. Corruption Free Performance

Its executives and personals at all levels shall not perform any action particularly prone to the policy corruption and corruption of their assigned duties.

4. Organizational Moral Culture

Its executives and personals at all levels shall not tolerate the unethical behavior and corruption in the organization and shall create and educate the positive attitude for its personals.

5. Work Integrity

Its executives and personals at all levels shall comply with the operational policies, rules, regulations, manuals and standards strictly with the intention of fulfilling the administrative requirements for operation and administration on the basis of justice, fairness, morality, ethics and good governance.

6. Organizational Internal Communication

Its executives and personals at all levels shall exchange precise information with reliable references as well as fostering good relationships between the executives and personals to build a strong and corruption-free organization.

Announced on 1 day for February, 2021

Miss. Suri Aupamon
Director Mental Health Center No. 3
